

Archery

Going back to a time when all men were required to practice archery and were in the front line of our army Britain has a long tradition of archery. Nowadays archery is a good leisure activity, as an individual or team challenge, as part of a development training day or as a fun event.

We use both indoor and outdoor facilities for archery, or if you have a suitable area we can come to your premises to have a 2 hour session, full day session or use it as a part of an activity programme.

A programme covering a number of National Curriculum topics such as PE, plus, discipline, teamwork, responsibility and other life skills can be used.

No matter how strong you are, or what ability you have, our instructors will ensure you have a positive and enjoyable experience.
